To whom it may concern

Baard and Partners Executive Search has been a supplier to us from October 2014. We find them competent, an agency that investigates and ensures that they understand the specific company culture and criteria before they commence a search. An agency that has in-depth knowledge and experience in the search and selection process. They have completed searches for us across a number of professions and we find their process which includes a video summary of shortlisted candidates refreshing and value adding. A list of searches they have completed follows below, it is worth mentioning that to date they have a 100% track record.

- Group: Chief Information Officer
- Company Secretary
- Senior Manager: Digital and Innovation
- Senior Manager: Retail
- International Sales Manager
- Legal Manager
- Legal Officer
- Innovation Implementation Lead

We can confidently recommend Baard and Partners for your Executive Search requirements.
